

Support Adult Literacy Services!

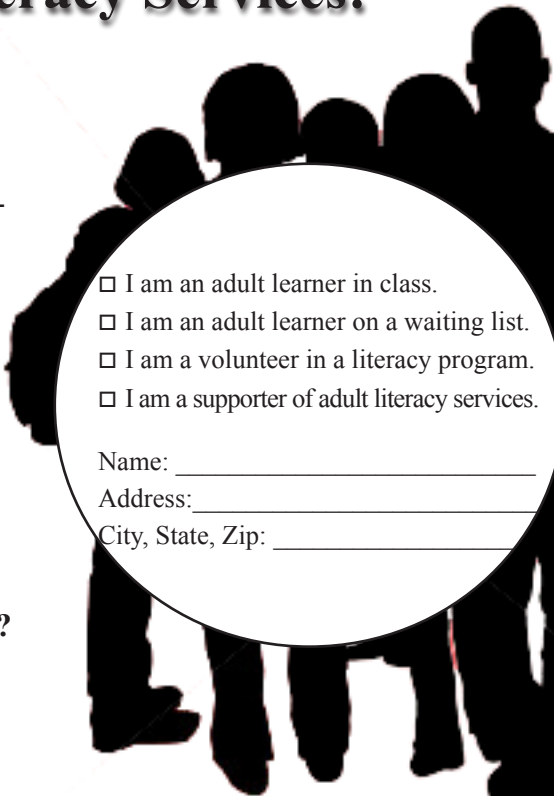

Dear Governor O'Malley:

Maryland needs a well trained workforce and educated parents. Literacy skills, English proficiency, and a diploma give Marylanders the opportunity for success in jobs, in communities, and as parents.

Help improve Maryland!

Please include five million dollars for adult education in Maryland in your fiscal year 2009 budget.

I support adult literacy services. Will you?

- 
- I am an adult learner in class.
 - I am an adult learner on a waiting list.
 - I am a volunteer in a literacy program.
 - I am a supporter of adult literacy services.
