

MCAEL FY15 Adult English Literacy Program Grants & Literacy Access Grants

PURPOSE

In partnership with Montgomery County Government, MCAEL offers grant resources to support adult English literacy programs. The objective of MCAEL's grants program is to increase the availability of adult English literacy services offered to diverse populations and to improve the quality of those services in Montgomery County. MCAEL thanks the Montgomery County Government for supporting literacy.

For FY2015, funding was made available to support Adult English Literacy Programs in Montgomery County in order to increase, and improve delivery of adult English literacy services to Montgomery County residents and workers.

In addition, MCAEL offered Literacy Access Grants to support a drop in class and/or classes with under 120 hours per year in order to: (1) access and leverage ongoing/new partnerships and resources; (2) create access to English classes for underserved populations; and (3) develop access points to link individuals to the larger ESOL system that exists in Montgomery County. Eligible organizations must be or partner with a non-profit, 501(c)(3) or have a similar designation from the U.S. Internal Revenue Service organization. For more information, please see the RFPs on MCAEL's website: <http://www.mcael.org/grants>.
