

Workforce Program Chart Notes

Adventist Community Services

Program is focused on developing skills for the workplace including helping an individual prepare for job interviews. Classes offered Wednesdays at 9am-10am. Program does not really focus on helping people search for jobs. Check with program from start dates. Program runs for 6 months. All classes conducted in English. 5-10 people in a class. Professor at Adventist University from the Business School runs the program.

A Wider Circle Center for Professional Development

All classes done in English. No referral needed. Focus on classes. Support is job preparedness and includes individual assessment first day. 6 weeks of class. During class topics will be explored including: looking for jobs, going online looking for jobs, mock interviews. If not have job by end of six weeks, program continues to work with individual. Usually Wed. am or Tues. nights. Program provides childcare at night, transportation for metro and dinner. 10-15 people per class. Program also offers one-to-one coaching, if someone is not able to make time of job classes. Career center: part of center for professional development which offers flyers on different types of jobs (not specific job openings). Goal is to help people find a job with a living wage. Computer lab is available to use but would need to be scheduled.
