Montgomery Coalition for Adult English Literacy

FY15 FINAL REPORT
Contract #9711000042-AA
INTRODUCTION

MCAEL is a community coalition of public, nonprofit, and business partners that support more than 60+ adult ESOL (English for Speakers of Other Languages) and literacy service programs, 800+ instructors and staff, and over 20,000 adult learners. Together, the coalition works to strengthen the community by helping adults gain the English literacy skills needed to reach their potential as parents, workers and community members.

In July 2014, the Montgomery Coalition for Adult English Literacy (MCAEL) was awarded an extension of Contract #9711000042 “to continue to promote English literacy, leverage private and public dollars for Adult English as a Second Language (ESL) services, and assist ESL providers in building their capacity to increase the quality of ESL services they provide.” Under this contract, MCAEL allocates and manages grant funding to support direct services, through special authorization by the Montgomery County Council. In addition to providing direct financial resources, MCAEL is dedicated to strengthening the county-wide adult English literacy network with resources, training, collaborations and advocacy to support a thriving community and an optimal workforce.

MCAEL has recently grown to a staff of five people: an Executive Director (FT), ESOL Program and Instructional Manager (PT), ESOL Program and Instructional Coordinator (FT), Communications and Outreach Coordinator (PT) and Program and Administrative Assistant (PT).
